¹3 year, 5 year and Since Inception returns are annualized ²Inception date for RAMSX was 12/31/2010 ³Mixed-Asset Target Allocation Moderate; based on Total Return performance

The performance information quoted represents past performance, which is not a guarantee of future results. Investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than the performance data quoted. An investor may obtain performance data current to the most recent month-end by calling 1-800-773-3863. Total return measures net investment income and capital gain or loss from portfolio investments. All performance shown assumes reinvestment of dividends and capital gains distributions.
